Dear Cllr Smith

LOCALISM ACT 2011 – STANDARDS COMPLAINT – SC/20/01

As you know, the above complaint was considered by a Standards Committee – Hearings Panel yesterday, in accordance with the council’s published arrangements for an uncontested hearing. I write to inform you of the outcome.

Following consideration of all relevant information, and in consultation with the Independent Person, the Panel unanimously accepted the findings of the Investigating Officers (as detailed in their report) and found that you breached paragraph 3.4 of the Code of Conduct, which requires you not to “conduct yourself in a manner which could reasonably be regarded as bringing the Authority, or your office as a Member of the Authority, into disrepute.”

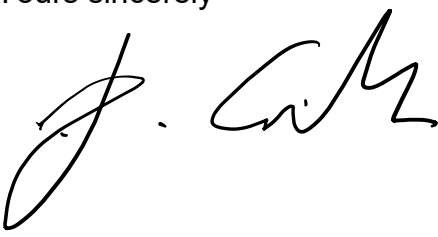

The Panel have therefore requested that I relay their strongly-held view that your conduct was unacceptable and should not, under any circumstances, be repeated.

The Panel also agreed to forward this letter to the Clerk of Garthorpe and Fockerby Parish Council, with a recommendation that this should be publicly notified to all members of the council. The letter should also be included and published within the agenda and papers of the council’s next public meeting, and made accessible to any member of the public.

The Panel also strongly recommends that you formally write to each of the complainants apologising for your conduct. This can be co-ordinated through Dean Gillon in my team (Dean.Gillon@northlincs.gov.uk) who will forward your apologies accordingly.

Finally, the Panel desisted recommending that you attend relevant training given your voluntary participation in the recent training provided by myself and my officers but have asked that I speak with you about this matter once you have had the opportunity to consider the contents of this letter. I shall accordingly contact you in the next few weeks to discuss.

Yours sincerely
