Minutes of the meeting of Garthorpe and Fockerby Parish Council held at

Garthorpe Village Hall on 19th February at 7-30 p.m.

19/02/001. Present: Cllrs. J. Martinson (Chair), J. Smith (Vice Chair), D. Armstrong, S. A. Johnston, M. Naylor, J. Marks, J. Preston. B. Reed,

Apologies: Cllr. W. Bradwell and Ward Councillor J. Reed.

Members of the Public present: Joyce Duckworth, Nichola Ingleton and John Newsham.

The Chair welcomed the members of the public to the meeting. Mrs. Duckworth thanked the Parish Council for all they have done to improve the footpaths and with reducing the instances of dog fouling. Mrs. Duckworth came to the meeting to make the Parish Council aware of bulky items and rubbish that had accumulated in the vicinity of the bungalows on Margrave Lane which looked unsightly and also encouraged vermin. Ongo had been informed of this situation and as no resolution to the problem seemed to be forthcoming, Mrs. Duckworth asked if the Parish Council could step in and contact Ongo. The Clerk will contact Ongo.

Mr. Newsham came to the meeting to inform the Parish Council of a tree/hedge planting pilot scheme that will initially take place on the edge of Mr. W. Bradwell's lane adjacent to Ness Lane. Cllr. J. Smith requested to speak on his behalf and outlined that the hedging scheme has been approved with the woodland trust and all other parties concerned but there was a small shortfall in funding which was why the Parish Council had been approached. Cllr. B. Reed expressed concern over the area chosen for the planting and suggested there were other, more suitable areas for such a scheme. The Parish Council will discuss this later in the meeting.

Mrs. Duckworth and Mr. Newsham thanked the Parish Council for their time and left the meeting.

The main meeting commenced at 7:30pm.

1, The funders for the Memorial, SSE have confirmed in writing that the balance of the original grant is still claimable however we will need to look at the items originally quoted and compare to what was produced and what we still need. It has been explained to the parishioners that it is the Parish Council only that can manage the grant but Julie is willing to help if needed.

2, Outside Gym. Julie has provided me with the equipment spec. for the item that exercises hip and thigh and I have confirmed that a piece of equipment almost the same was already included in the gym, therefore it would not be necessary for Julie to progress this matter further.
