News from the village hall

News from the village hall is all about……
Party in the Park

Contact options for the Village Hall are: Facebook, or garthorpevh@btinternet.com, or telephone **01724-798699,** or speak to any Committee member: **Jonny Martinson, Sammie Simms, Jo Smith, Sam Peel, Debbie Martinson, Ellen Rollitt, Amy Greaves or Jiggy Lloyd.**

We are continuing to work together to support the village. Obviously, the next big event is Party in the Park! We are now looking for raffle prizes, tombola prizes and a donation of cakes for the tea and cake stand, this is not, however, a bake-off competition!

I know all of this it's a big ask in these hard times, but all the money raised is ploughed back into the village.

Any donations to the Village Hall Committee, or any Jubilee committee member. Any volunteers to help are very welcome.

Book box

We still have 2 book boxes outside the Village Hall which appear to have a good selection of books in it. Please can you make sure that the lids are secure, so the books don't get damaged in adverse weather.

The children's books were passed to playgroup for their group sessions.

Burglary prevention advice.

Whilst continuing my work into crime prevention and problem solving, I came across an article from a reformed Residential burglar that stated one of things he used as a tool to know if a home was empty was ….

BIN DAY….!!!

Yes.. Bin Day!!!

It is a sure sign that when bins are left out in the street when others have been taken in following them being emptied, it can be a pre-cursor for a burglar to establish the property maybe empty.

Protect each other within your communities, discuss with your neighbours about helping each other out by taking in the bins from the road as soon as possible once emptied.

I know this seems simple, but when you think about it- it's a signal!!

Look after each other

Mobile Library news

NO Mobile library 8th-12th August

Until June the Mobile Library had one household in Fockerby and Garthorpe that actively used the service in the village**. If we don't use it we lose it!**

Amcotts have already lost this service.

They need proof of address from either a driving licence or a letterhead or anything with name and address which has come through a letter box. Once joined, a library card will be issued which can then be used at any branch within North Lincolnshire. Items can be taken out from Scunthorpe central or Crowle or any branch and returned onto the mobile and same the other way around. This can be done from the mobile library van as well.

Next mobile service is 2.9.22 2.10pm-2.30pm

Living Connections

A new service has been launched for North Lincolnshire and West Lindsey area, supporting adults (aged over 18) suffering loneliness, isolation, anxiety, depression, coming out of hospital & end of life care. Visits are 1 to 1. This is a much-needed service and will be rolled out to all areas, hopefully we will be included. I have spoken to Living connections and they hope to visit Garthorpe in the role out.

Road closures

The B1392 between Eastoft & Luddington & the B1392 Northfield Lane between Meredyke Corner & Amcotts are having white lines laid on Monday 1 August. The roads are too narrow to do it with traffic lights so there will be full road closures in place whilst the work is done.

As a result of 'representations' from residents they will do the sections one at a time and do everything they can to reduce inconvenience & complete the work quickly. The Eastoft to Luddington section will be done first followed by Meredyke Corner to Amcotts. The sections of road will not be closed at the same time.

The B1392 between Amcotts & Keadby line painting is scheduled to take place on Friday 5 August 09.30-15.30

All this is weather dependent. Drizzle will be fine but heavy rain will stop play. We'll be informed closer to the date of any changes.

Also, there will be **no more** month-long road closures. The council are now fully aware of the difficulties we face during road works.

Incredible edibles

The hanging baskets have now been erected in the East Riding villages of the Marshlands & we have had some splendid feedback. Whilst watering one evening at the end of last week a resident came up to us and said he thought the baskets brought the whole village together as a community. Praise indeed as this fulfils our ethos on many levels. So many people have come forward to adopt one to water, and a huge thankyou goes out to all of you who are fulfilling this role. You know who you are – THANKYOU. These hanging baskets are part of the Jubilee Year Celebrations and hopefully they will live a long life and take us all through to the autumn. The planters (planted up back in April/May) are now maturing and are showing a fabulous display. Hopefully next year they will be planted up again by the Incredible Edible Marshland people who took part in this Jubilee project. If you EAT, you are part of the IEM community – no one is excluded except by choice.

The craft choice for this month was Pottery. We travelled together to Holme on Spalding Moor to a pottery studio. This workshop is a two-day event so we left our pieces to be fired and will return at the end of July to glaze the pots.

If there is a particular craft you would like to try, or a craft we have covered already, do let us know by telephoning 07901165349 and we will do our best to accommodate this. Your input is important.

Future Forays…….
August is never a good month to organise anything as so many people are away on holiday but our What's on is as follows: -

- Friday 12th August 7pm – 9pm – planting Xmas potatoes. Cost £10 but that sorts out the roasts or mash for Xmas dinner in December. Talk about being organised and you can't beat home grown products!
- Friday 26th August at Swinefleet Village Hall from 7pm – 9pm. This is a cocktails masterclass better known as Mixology. This is more of a social event as we learn what to mix with what! The cost for making alcoholic drinks is £28 and the cost for non-alcoholic is £21. Please book your place prior to the occasion so we can relay the numbers to the tutor.

A big thankyou to everyone who takes part in IEM – it is all of you who take part who make it the success it is and spread the word to others.

Many thanks to the people who always contribute to the newsletter and give their time so generously to enrich our village lives.

Village Hall Committee, St Mary's Church, Parish Council, Friends of Garthorpe and Fockerby, Jubilee Committee & Incredible Edibles all contribute to this newsletter.
