

## Live in Garthorpe? Think Bus.....

At no more than £2 per journey (until November 2023), bus fares have never been better value. (Using RAC figures, a round trip to Scunthorpe in an average car costs £10.15) *Why not cut out and keep this information.*

The tables below **summarise** the services to and from Garthorpe. Please note:

The tables are for weekdays; there are slight changes on Saturdays and no services on Sundays.

The details vary; for instance some go to the colleges, some call at the hospital. Please look details up, and check you are at the right stop. (The white 97 bus will also stop if you flag it down).

The best places to look for details are:

- [www.northlincs.gov.uk/transport-and-streets/community-bus-service-timetables/](http://www.northlincs.gov.uk/transport-and-streets/community-bus-service-timetables/) (the white 97 bus)

You can also use the real time text service advertised at the bus stop (there is a charge for this).
