News from the Village Hall 19th June 2024

Containers on the move!!

Almost since Party in the Park (see below) started, the biggest "chore" has been moving heavy equipment including the marquees from the village hall to the playing field and back again.

No Longer! There is now a second container on the playing field. While the original one continues to house the mower and football equipment, the second one holds the three marquees and other outdoor supplies needed for events on the field. Both containers have super-secure locks and plans are afoot to complete the arrangement with a concrete surround and a fenced-off area.

Meanwhile, the container at the hall (still much needed for the staging, extra tables and chairs, table tennis table etc) is in a new position at the back of the car park. This means that the site of the new kitchen is (nearly) cleared, ready for work to begin later this year.

A big thank you to: SSE Keadby Wind Farm Fund for their financial support to purchase the container

· Ben, Ash, Dave, Andy and everybody else who helped with the ground preparation

· CR Hansard of Market Rasen for their very skilled manoeuvring of both containers

· Neighbours of the hall for holding their nerve while a container was lifted over their fence/garden!

· Jonny Mart for master-minding the whole operation!

Garthorpe Party in the Park

Garthorpe Party in the Park will be on Saturday August 3rd. Summer (?) fun with live music, stalls, games, food and the rest; free to enter, suitable for families and in aid of the village. A great occasion to get together with friends and relations from outside the village; why not invite them over and let Party in the Park provide the entertainment and the food?

Donations please!

We welcome all donations for Party in the Park. Raffle prizes, tombola prizes (small items, no bric-a brac please) and goodies for the cake stall all help us raise funds for the village. Please contact a committee member or leave at the hall.

Village Hall "Outside" Catering (literally!)

The RSPB invited us to provide catering for their Open Day at Blacktoft on June 16th so off we went……. The weather was not ideal but even so, it was a pleasant day in partial sunshine, and we raised £130 for our own funds. Thank you to the many helpers and those who came to sample the goodies.

Latest fraud scam information supplied by the Police

We have received reports of fraud in which residents in our area have received a phone call claiming to be a police officer conducting a fraud investigation.
The bogus caller has asked victims to withdraw cash, purchase goods or provide bank cards and PIN numbers for collection by a courier so they could look to safeguard them from any fraudulent transactions.
Enquiries are ongoing and we can confirm that the details given by the individual claiming to be an police officer are bogus.
Detective Inspector Darren Gray said "This is a scam. We want to raise awareness that this scam is happening in our area to avoid anyone else becoming a victim.
"The fraudsters are extremely convincing and persistent and often target the elderly or vulnerable resulting in the loss of thousands of pounds. The police would never call asking for money or bank details.
"Please do not give out any personal details or banking information during the call. The bank or the police will never tell you to disclose such information.
"The police will never contact you out of the blue and ask you to participate in an

investigation that requires you to withdraw money from your bank, or to purchase or hand over high-value goods, such as jewellery or gold and or cash.

"If in doubt, call your bank back on a number you trust, or call us on 101 – but do it on another phone or leave it at least five minutes before you make the call's
"This is important because criminals can keep the phone line open for several minutes after you put down the phone, which means you could end up inadvertently talking to the criminal or their accomplice again."

If you think you've been a victim of fraud, report it to Action Fraud which can be done online. Alternatively, you can call our non-emergency number 101 to report information or, if you have information regarding those responsible for fraud, you can contact Crimestoppers anonymously on 0800 555 111.

Fockerby has a girl with a racing dream

Hi, meet local lass, Eleanor Shelby (aka ESP racing) from our lovely little village Fockerby, Garthorpe
She is a just turned 7yr old girl, who one day just decided she'd love to race in Motorsport and one day become an F1 driver.
Now getting into Motorsport is difficult, even if you have talent, unless you have money, then you don't get very far.
It's a rich man's sport.
It's even harder for girls, and despite there being no official rules stating women can't race In F1, unfortunately we don't see many make it (only 2 ever have).
We'd like to change that!
Eleanor has wanted to become an F1 driver ever since she sat in Lewis Hamilton's old go kart (at the classic car show in Birmingham).
She loves watching racing and eats breathes and sleeps all things racing.
So, we decided to try her at our local kart centre. This was in January 2024. We're now in June 2024 and she is already racing in a class that is above her age, with much older and faster kids. She is holding her own and coming mid table despite not having the same kit as some others.
This is a girl that used to be scared of the noise hand dryers made in public loos! Now she races sat next to a very loud and fast 2 stroke engine.
We have been told she is good enough to start racing nationally and to get her ready for the new season in 2025.
To give a bit of insight, a new kart is £5000, helmet that meets Motorsport standards nationally £400, a suit £200 and then there

tyres, maintenance etc. each race costs to enter, which can range from £100-250. Then there's renting space in a tent £700 or joining a race team for the year £2500.
Now you can see why people who have talent don't get anywhere unless they have money.
Please can you help?
£1 each from just 1000 people would help this little lady along the way to the top, where she can race in the big leagues and get herself noticed by large sponsors.
Can you help her dream come true?
We as parents are certainly trying our best!
Thank you for reading if you made it this far!
Much love
Charlie and Matthew (one very proud mum and dad) xxx
If anyone can help Eleanor achieve her dream, she has a go fund me appeal (https://gofund.me/879b2a4f)

Garthorpe & District Royal British Legion held their commemorative day for 80 years of D Day.

The weather was kind and we had vintage vehicle doing a cavalcade around Fockerby/Garthorpe starting from Holyrood House, a big Thank you Rob & Rio"
St Marys there were displays from Garthorpe & Luddington Primary school.
A display of 1940 memorabilia and the Victoria Cross society had a display.
The alter was decorated with paintings, flags and flowers. Marina Mae was outside singing all the hits of the era.
In the village hall car park, we had DJ Patrick with 1940s dancing.
The village hall had numerous stalls and charity stalls, and the pop-up Naafi.
It was great to see so many reenactors walking around the village.
The Veterans March pass and service and laying of wreaths was held.
Unfortunately, the hurricane fly pass was cancelled due to issues with an oil leak, but we were one out of 7 events that this affected and they literally cancelled last minute.
Sadly, it was reported a few days later that a pilot in a Spitfire had lost his life. The memorial planes have been grounded & this also affected the fly past on the Kings official birthday.
These machines are over 80 years old.
We would like to thank all the people that came and supported the event, to all the volunteers and helpers, to Garthorpe Village Hall and St Mary's Church.
Thank you to Cllr Brian Woolhouse and to Rodney for tidying the cemetery for the event.
We received positive feedback and maybe one day we will do another.
All in all it was a great event and enjoyed by all.

Concerts in Garthorpe in 2024

Alchemy Live

An upcoming tribute band really did pay tribute to one of the best bands and artists, Dire Straits and Mark Knopfler. This 5-piece band were outstanding and played many of the classic hits including Tunnel of love, Romeo & Juliet, Brothers in Arms &Telegraph Road, if you missed them, they will be back! A standing ovation that sounded like there were 200 in the hall said it all. Quality sound from a quality band.

Ken Nicole

Ken is the next artist on **Saturday 20th July**- Doors open at 7 pm- Tickets are £13 at St Mary's.

Ken Nicol is an exceptional musician. As a guitarist, he is one of the most skilled and exciting players anywhere today; as a singer he is capable of evoking wide range of emotions in his audience; and as a songwriter he demonstrates these abilities in his clever and well-crafted material.
His music covers the spectrum from blues to rock, effortlessly taking in folk, jazz, ragtime, ballads and more along the way.
Born in Preston UK, Ken started playing the regional club circuit where his talents were soon recognised.
In the early seventies he formed the band 'Nicol & Marsh's Easy Street' with Pete Marsh, and it wasn't long before they landed their first major record contract.
They went on to produce four albums to widespread acclaim on the CBS and Polydor labels, the last one being recorded in Los Angeles
This prompted Ken to make his home in the US where he played gigs as a solo acoustic performer, and as lead singer and co-songwriter for the band 'Versailles'.

Ken returned to the UK from LA in 1989, and once again began working the club circuit as a solo performer, going on to produce the albums: "Living in a Spanish Town", "Two Frets from the Blues", "Clean Feet – No Shoes", "The Bridge", and more recently: "Thirteen Reasons", all released on his own M.V.S label.

In 1997 Ken joined The Albion Band as lead guitarist and singer, writing much of the band's material himself and co-writing with Ashley Hutchings. They produced four albums in this time: "Happy Accident", Before Us Stands Yesterday", "The Christmas Album" and "Road Movies" on the Topic record label.
In December 2002, he successfully joined forces with the legendary folk-rockers Steeleye Span on their UK 'Reunion Tour', and due to its great success, his collaboration with the band continued for a further seven years.

2004 saw the release of two albums: 'They Called Her Babylon' and 'Winter.

His third collaboration with the band: 'Bloody Men' was released in 2006, and the most recent: 'Cogs, Wheels and Lovers' in 2009.

2009 proved to be an extremely busy time with Steeleye. The band celebrated their 40th year in the business; as well as the UK Spring Tour (April/May), the band also visited the USA in September for six dates, then flew on to Australia for a further eight concerts before finishing their anniversary year with a 'Winter Tour' – again in the UK through the months of November and December.

Martin Carthy
"I first met Ken when we collaborated on an Ashley Hutchings song on his last album. I was amazed at Ken's beautiful ragtime guitar style. He has such a great way of delivering a story and gently laying down the punch line.
Humour, great guitar skill and the right drop of humility, and a passion for right, proper, good music."

Ralph McTell
"Ken Nicol is a consummate musician. A guitarist of broad scope, a sensitive singer and an intelligent writer of songs with stirring melodies. A musical paragon."

Maddy Prior
"It's difficult for me to imagine a more talented all rounder than Ken; both as singer and guitar

Let us know what you think - was it enjoyable, challenging, too hard or too easy. Do you want another to puzzle over?

Incredible Edible is partly about bringing people together through growing, sharing and learning, all things that bring pleasure in different ways.
I believe we never stop learning so here are a few tips how to clean your car like a pro!!
1.Wash cars with a pH neutral shampoo with no wax additive. Rinse with water and dry the car before polishing. If a car is left outside all the time, use a polish or wax on it at least once a year.
2.Never leave bird lime on a car. While it is still fresh, use a microfibre cloth and warm water to gently wipe it away.
3.If you have chrome, do not leave it to degrade, as it will cost a lot to re-chrome. It is easy to look after – wash & dry it, then add a good layer of quality polish.
4.A wet chamois leather is best for cleaning glass; dry it with a microfibre cloth.
5.For leather seats, use a good quality leather cleaner followed by a protective balm. Fabric seats can be treated with a fabric cleaner and sprayed with Scotchguard protection once dry.
6. If you are looking for a natural finish on your tyres, avoid silicone in cleaning products, as this will make them shiny.

So, what do I have to report to you this month?
Yoga continued each Monday at Reedness Primary School from 6.30 to 7.30 at a cost of £5 per session. This remains very popular, and anyone is welcome to come and try a session. (Membership of IEM does not exclude anyone because "if you eat you are in").
Our regular Hobby Huddle takes place every 2nd Friday of the month from 7pm to 9pm and is free. (Held at Garthorpe Village Hall). A small optional raffle is held at each session – the prizes at the last session were two lemon drizzle cakes. Come along and bring a hobby or just come for a chat and a cuppa.

We held a workshop making summer willow wreaths on Saturday 8th June from 10am to Noon. This was well attended, and some fine examples were produced, all very different to one another and showing how talented people in the Marshlands are.
The following Saturday (15th June) we held a workshop at Garthorpe Village Hall (10am – 12noon), entitled "The Elder Experience" which was led by the talented Jules. We not only foraged for the Elderflowers, learning the do's and don'ts of foraging, but also made an Elderflower cordial which was much nicer than those bought in the supermarket. The cordial plus tonic water is delicious. We also learnt how to make Elderflower Liqueur and easy Elderflower wine. Bridget E, curtesy of a River Cottage recipe had made Elderflower Delight (as in Turkish delight). It is delicious and she has since made it dipped in dark chocolate which is double delicious. Elderflower heads can be picked and frozen which means they can be used to make all these kinds of things all year round and not just in May & June.

Our second away day of the year will take place on 22nd June and is Blacksmithing/Forging. I will report on this unique workshop in the next month's newsletter. Following this a talk takes place on 28th June about growing British Flowers for cutting and flower arranging. This is a prelude to 4 seasonal flower arranging workshops to be held in 2025.

Coming in July……

6th – Terrariums at Swinefleet Village Hall 1pm to 3pm (£45 inclusive of everything)

12th – Hobby Huddle as mentioned above.

18th – Tidying up at Whitgift Church (borders) – a chance to give something back to the community and landscape around us, that we all enjoy.

19th – Cocktail Masterclass at Reedness Primary School 7pm to 9pm. Cost £30 for alcoholic drinks and £25 for non-alcoholic ones. This is the 3rd one we have held and they are always different and very enjoyable – thus back by popular demand.

27th - Afternoon Tea at Whitgift church 2pm to 4pm – a repeat of last year's success. Free to all but bring some money for raffle tickets – we have some fabulous prizes this year.
