News from the Village Hall

Family Bingo – Friday 4th October

This was a very popular event in the spring so… we are having another one!

· Bar, soft drinks, crisp and snacks to purchase & Raffle. Come along, have a great night out and support your village hall.

Any raffle prizes would be gratefully received, money raised goes toward the kitchen fund.

Children's Halloween Party

This will be on Thursday 31st October 6pm-7.30pm £2.50 entry on the door, at the village hall, and follow our usual format of games, snacks and drink.

New kitchen – it has started!

Yes, the building of the extension to house the new kitchen has started. The works are at the back of the hall and the hall is open and available for normal use while the work takes place. (Any bookings that are affected by the works are being advised). Just bear in mind that parking is more restricted than usual; please take care and park carefully if using the road or the church car park instead.

Where is the money coming from? This is a good time to say the first of many "thank you's" to the following organisations:

· SSE Renewables Windfarm Fund

· Garfield Weston Foundation

· Platinum Jubilee Village Halls Fund

· Garthorpe & Fockerby Parish Council

….. and to everyone who has supported our fund-raising events.

More money came from the Garthorpe Village Hall Development Fund (built up over many years for the improvement of the village hall) and from a private family charity.

The building is the first stage. Fitting and equipping the kitchen will follow and we are already well on the way with fund-raising for that.

Any questions? For enquiries about the Village Hall, you can use Facebook, or garthorpevh@btinternet.com, or telephone 01724-798118, or speak to a Committee member (Jonny Martinson, Jiggy Lloyd, Sam Simms, Joanne Smith, Samantha Peel, Charlie Parsonage, Emma Davies and Leona Swan.)

Some of the events that take place at the hall are run by organisations that hire the hall, and not by the Committee. For questions about these, please contact the organisation concerned

Fockerby girl with a racing dream

We started following Eleanor Shelby (aka ESP racing) on her racing dream. She is a 7year old girl, who one day just decided she'd love to race in Motorsport and one day become an F1 driver. Hopefully we can follow her every month on her journey. Eleanor is trying out new tracks regularly now in view of getting ready for racing next year.

She has been accepted by the racing team TomDayRacing. They want her and thinks she has potential and will be racing nationally within the next year to two and winning if she continues to listen to his coaching.

On a new track personal best of 54.8 seconds down from 57 seconds and two awesome overtaking manoeuvres in changing weather conditions , a warm morning and a very wet afternoon.
We are currently in the process of getting her a newer faster kart (£4,500) and a new helmet (£500) which FOGAF have very kindly agreed to help towards.
It's going to mean big changes and upgrades next year, but it's where we want to be and certainly Eleanor is looking forward to it.

She is mastering more tracks now and doing better in her race craft.
We are very proud parents x

Eleanor's go fund me appeal is still open if you can help. (https://gofund.me/879b2a4f).

Concerts in Garthorpe in 2024

There is onemore concets to go in this first year of bringing music to rural areas. Please come and suport if you can.

Carrie Martin Review- The show must go on

Again Live Music Garthorpe arranged an excellent evening's entertainment with singer/songwriter Carrie Martin.

However, with an unplanned finale. Carrie performed songs from her previous albums as well as material from her next offering. Hull-born Carrie has a lilting and emotional singing voice, and accompanies herself with a variety of guitars, and more unusually an Appalachian dulcimer. It would be remiss of me not to mention her guitar playing.

Since 2011 when she stepped in with no notice to provide a support set for Gordon Giltrap, the legendary guitarist has become a mentor and friend to Carrie. Her playing reflects his style and depth, and alone was worth the price of admission.
However, as Carrie announced her encore of two Joni Mitchell songs, a power cut plunged the church into darkness. By the light of several mobile phones Carrie pulled a chair down from the stage and finished her performance acoustically, & so much appreciation from the audience.

A true professional! Carrie will be back in 20.26.
If you haven't caught on to livemusicgarthorpe, you're missing out. The artists are varied across styles and genres, but always talented. The objective is not to make money but to keep live music in the area. Google it, look at past and future gigs, come along. You won't be disappointed!
Chris Newton.

The Songs of Leonard Cohen

This is the final concert of 2024. Keith James will be coming back to St Mary's Garthorpe to perform The Songs of Leonard Cohen. This Saturday **19th October**-Doors open at 7 pm-tickets are £18. This is not a Leonard Cohen tribute act and that would be hard to do, but a great tribute to Leonard Cohen in Keith James ' way. The reviews for this concert are fantastic so if you are a Leonard Cohen fan you will not be disappointed

Incredible Edibles Marshland

The end of September is approaching as I write this missive, the nights are drawing in at an alarming rate, the temperature has dropped to the seasonal average and the leaves are beginning to fall in earnest. Yes, autumn is here, and as always IEM has a varied programme for you to while away the dark evenings.

Firstly, what have we been doing during September? Yoga as always has been taking place each Monday at Reedness Primary School and is still well attended. There is room for newcomers though, so if you fancy an hour of yoga just turn up at 6.30pm and have a go. Cost £5.00 for the hour's session.

Friday 6th September was a cookery session hosted by the talented Jules in which we made Chocolate Salami and Marzipan Sweets. It was

a small group of people but an excellent session being very creative. The Marzipan Sweets all looked like miniatures of the real fruits and make an excellent gift for any time of year. Chocolate Salami, I can only describe as wonderfully moreish and a cross between a Rocky Road cake and a Tiffen cake. There were several choices of what to include in the Choc salami according to individual taste, so we all came away with a unique sample of "death by chocolate". Yummy! I will be making this again.

The monthly Hobby Huddle took place at Garthorpe Village Hall on the second Friday of the month (13th Sept) and I am pleased to say that a large group of people attended. The raffle prize this month, was a large tray of fruit & veg. Most of the contents were locally grown in the villages showing once again what talented folk inhabit the Marshland villages. I really enjoy going to this group as it is always welcoming, full of chatter and banter and those attending produce some beautiful things.

That is all that took place in September, but October is more action packed.

Yoga on each Monday.

Friday Oct 4th 7pm-9pm at Swinefleet Village Hall – IEM is holding a Painting taster session, and this is already fully booked with a waiting list should anyone drop out. It is the prelude to 6 sessions in the new year and is going to be very popular. Cost £10

Saturday 5th Oct 2pm-4pm at Reedness Primary School – Cookery session making fresh pasta into ravioli. Cost £15. Places are still available on this workshop. Come along and have fun, taking home a ready-made tea**!**

Friday Oct 11th 7pm-9pm at Garthorpe Village Hall – Hobby Huddle. Cost free. Raffle tickets optional at 50p per strip.

Saturday Oct 12th 10am-12noon at Swinefleet Village Hall – Soap making workshop. Cost £50 but you will come away with 6 bars of soap made to your specific taste and these will make ideal Christmas presents. All ingredients provided as well as refreshments. There are still places on this workshop. Why not try something different?

Friday 18th Oct 7pm-9pm at Swinefleet Village Hall – a workshop covering gardening and nature and how to accommodate the two side by side. Ray is as always, a mind of information and at a cost of £5.00, a lot can be learned. Refreshments provided as usual. These workshops seem to involve some discussion which means there will be tips you can pick up and use in the future. Hope to see you there - garden lovers anonymous.

And that is all for this month. I plan to follow the 3 C's during October – Choices, Chances and Changes. I have made the choice to take a chance if I want anything in life to change.

For & on behalf of Incredible Edible Marshland.
