News from the Parish Council

The parish council minutes are online www.garthorpeandfockerbypc.org.uk.

Members of the public are welcome to attend all meetings of the Parish Council as observers only, but a period of 15 minutes is allocated for a Public Forum at the beginning of each meeting.

As always, the agenda & full minutes of all meetings are on the parish council website www.garthorpeandfockerbypc.org.uk.

If any resident is interested in becoming a Parish Councillor or just wants a chat about what it involves, please contact CLLR Brian Woolhouse who is chair of the Parish Council or come to the next meeting and observe the process. There are vacancies after the resignation of a councillor recently.

Behaviour in the playing fields

The parish council has had lots of complaints about children and teenagers' reckless behaviour climbing on the playing field storage containers and the wooden hut roof. Apart from the real worry your children might get injured, there is also concern the wooden hut would collapse, as its not built to climb on and the cost to the village of replacing it. We are asking that all parents to talk to their

children & teenagers about it for their own safety.

The Parish Council awarded a micro grant to Mr Gilleard to purchase a "Tommy" soldier for the village to be displayed at the Fockerby entrance to the villages. Many thanks to Ron for doing this and to the Parish Council and SSE for providing the funding.

A new emergency plan has now been produced and circulated to the Parish Councillors after it had been approved.

If you would like to contact the parish council, email clerk@garthorpeandfockerbypc.org.uk.

Date of the next meeting is in the village hall
Friday 23.10.26 @6.45pm

Eleanor Shelby the Fockerby girl with a racing dream

It has been a quieter month with no big races to report on. However, coming up next

weekend is Woodthorpe and possibly the following weekend at the International Track PFI. However, this is dependent on being able to raise the entrance fee alongside the compulsory new tyres. Racing is not a cheap sport and not for the faint hearted either. If you can help by sponsorship etc please get in touch with Charlie Parsonage, Eleanors Mum, you will find her on Facebook. Or contact this newsletter and I will put you in touch.

St Marys Church

Season of Creation

In the church year the *Season of Creation* (September 1st - October 4th) is an opportunity for us to reflect on our responsibility to care for the planet. As the season draws to an end for this year, have you considered:

The world is not ours:

'The earth is the Lord's and everything in it' (Psalm 24:1). The world is not ours, but God's! This means we have a responsibility of caring for God's world: *'The Lord God took the man and put him in the Garden of Eden to work it and take care of it.'* (Genesis 2:15). Clearly, we have not done the best job! The effects of global warming have been all too obvious this summer. And 2025 ranked as the third warmest year on record globally, 1.3°C to 1.44°C above pre-industrial levels. This follows the historic peak in 2024, driven by ongoing fossil fuel emissions and high ocean surface temperatures.

Our hope is found in Jesus:

Any hope for the future lies in Jesus Himself. He is the one who sustains creation and will bring everything to completion: *'all things have been created through Him and for Him. He is before all things, and in Him all things hold together.'* (Colossians 1:16,17). God's plan is *'to bring unity to all things in heaven and on earth under Christ.'* (Ephesians 1:10). We can look forward to the climax of history when God

through Christ will restore our broken world and make everything new.

In the present, we are empowered by Christ to take our proper place as stewards of the earth. Simple everyday actions can help to sustain our planet, including recycling of waste, energy saving, choosing reusable options, careful diet and a commitment to simple living can help the planet.

However difficult the climate crisis gets, as Christians, we can engage it with faith and not fatalism!

With love and prayers, Mark.

Dave Hanney Memorial – Garthorpe 5K & 10K results

What a fantastic turnout today for the Dave Hanney Memorial Garthorpe 5K & 10K Fun Run.

A huge well done to everyone who took part, whether you were racing for a time, running with friends or simply getting round and enjoying the day. Some brilliant performances across both distances!

Most importantly, it was a great day bringing everyone together and a fitting tribute to Dave Hanney.

A massive thank you to everyone involved in organising the event, all the volunteers, marshals and supporters who helped make the day possible.

The Fun Run for Breast Cancer raised £345 for Breast Cancer research.

We would like to Thank St Marys for opening the doors for refreshments and cake, The Garthorpe Village Hall for use of their facilities.

This event would not happen if it was not for the organisers, Marshalls and First Aid Nurse Nicola Bull from Winterton Medical so a massive thanks to all who attended and helped.

Review of Marrakesh Express 8.9.26

Marrakesh Express is without doubt the finest Crosby, Stills and Nash, (CS&N), tribute act in the UK today. There is no doubt because they are the only CS&N tribute act in the UK.

However if there were others they would probably still be best, which is possibly why there are no others.

Marrakesh Express presented a show backed by archive footage and newsreels setting the scene for the times from which the music emerged and the formation of the band. David Crosby came from the Byrds, so ME gave us tracks such as 'Turn, Turn, Turn' and 'Eight Miles High'.

Stephen Stills was formerly with Buffalo Springfield so the unforgettable 'For What It's Worth' and Rock and Roll Woman' were there.

Graham Nash came out of British band The Hollies, so of course 'Carrienne', and 'King Midas in Reverse' got loud applause. All three bands were noted for their vocals so not surprisingly CS&N's trademark was excellent songwriting using three part harmonies and melodic guitars to get their message across.

Marrakesh Express, John Bee, Adam Ellis, (also half of the 'Sounds of Simon') and Tom Lewitt nailed it. Their harmonies were spot on backed by one, two or three guitars and the occasional tambourine, taking us back to the 60s and 70s, a time of love peace and protest.

Amongst the many CS&N songs was obviously 'Marrakesh Express' and 'Teach your Children', but the standout for me was a superb presentation of 'Wooden

Scott Matthews 3.10.26

Scott Matthews is an English singer-songwriter from Wolverhampton who won an Ivor Novello Award in 2007 for his song "Elusive." The award recognized the song's composition and lyrics, making him one of the standout British songwriting talents of that year.

His debut album, *Passing Stranger* (2006), brought him widespread acclaim and features "Elusive" alongside songs such as "Dream Song" and the title track. Following his Ivor Novello win, the album was reissued, and Matthews went on to tour with artists including Robert Plant & Alison Krauss, Foo Fighters, Rufus Wainwright, and Bert Jansch.

Scott Matthews' music blends Folk, Blues & Rock with acoustic and eastern musical influences

If you enjoy artists like Nick Drake, John Martyn, or Crosby, Stills & Nash, his songwriting is often considered to be in a similar introspective, melodic tradition.

Min Grey 24.10.26

Mim has written and collaborated with Kylie Minogue, Mim has also won specific regional and industry talent awards.

Mim one of the most beautiful husky country soul singers in the UK, which is why Tom Jones has named her his 'favourite singer'. She performed with the most prestigious artists including Paul McCartney, Tom Jones and Nile

Rodgers, and was on the Pyramid stage with Chic at Glasto 2025.

Over time Mim has transitioned into a respected solo artist, releasing original material praised for its honesty and sophistication.

Mim's music sits comfortably in the space between classic singer-songwriter storytelling and contemporary country-soul, often drawing comparisons to artists such as Norah Jones, Eva Cassidy, and Bonnie Raitt.

Mim has released 3 albums and has started touring again and we are pleased that Mim is coming to our intimate Venue in Garthorpe.

Summer is coming to an end, so there is harvesting to do... yummy veg is ready now and autumnal fruit is too. With nature getting sleepy, things are winding down..... the garden will be filled with leaves, crisp, red, yellow and

brown! Don't worry I won't give up the day job to become a poet!!!

Meanwhile back at the "ranch" (the marshland villages and wider area), I will let you know what has been going on. The third Elderberry Experience was held on 5th September at Garthorpe Village Hall. After foraging for the elderberries and other berries, the participants made individual recipe elderberry-based liqueurs. Our tutor Jules who guides us through these foraging workshops, once again had a group of satisfied people with a super product. Elderberry and dark chocolate muffins had been made for taste testing at the workshop, and I can vouch for how very yummy they are. Elderberries R us!

Friday 18th September saw our first in a series of six workshops on acrylic painting. This is a new type of painting following on from the watercolour workshop series held earlier this year. Once again, this event is fully booked and every painting looked good. We are so lucky to have Peter Scott as our tutor.... He is an excellent guide, helping everyone produce such good results. Look out next year for different taster sessions with other types of painting.

Our regular events continue as normal and come under the category of Wellbeing groups. No bookings needed for any of the following regular groups, just turn up for the event. It's as simple as that!
